

OBALL SPONSORSHIPS

Every year, OBALL fields are used by hundreds of boys and girls between the ages of 3 and 19. It is a terrific program, and the kids have a ball. The registration fee covers about one-half of the annual operating costs such as new equipment and field maintenance. The money obtained through sponsorships will help cover the remaining operating costs. Frequently overlooked is the opportunity to involve local community business owners in little league. Through the OBALL Sponsorship Program, business owners are recognized for their financial contribution to your team. This is an inexpensive way to advertise your business, help the children of your community, and even receive a tax break (ask your accountant for more information).

2024 the levels of Sponsorships are:
